Re: FAA Concord T, Inc. d/b/a Concord Toyota
Case 32-RC-255130

Dear Mr. Boggs:

This letter acknowledges receipt of the Employer's Request for Review of Certification of Representative in the above-referenced case.

Section 102.67(c) of the Board's Rules and Regulations provides for the filing of a request for review with the Board until 14 days after a final disposition of the proceeding by the Regional Director. In the event that a party chooses to electronically file the request for review, the Agency will accept electronic filings up to 11:59 PM in ***the local time zone of the receiving office*** on the due date. See §102.2(b) of the Board's Rules and Regulations. The terms for electronic filing are also posted on the Agency's website.

Here, the Regional Director issued a Certification of Representative on May 15, 2020. Accordingly, requests for review in this matter were due by 11:59 PM (ET) on Friday, May 29 (14 days after final disposition, i.e, certification). The Agency's records reflect that the Employer's request for review was actually received in the Office of the Executive Secretary at 2:00 AM (ET) on Saturday, May 30. Our records reflect that a second copy of the Employer's request for review was received in this Office at 12:20 AM (ET) on Sunday, May 31. In each case the Employer's request for review was untimely, and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Mark G. Eskenazi
Associate Executive Secretary
